In accordance with the above Statements, the interested party

HEREBY DECLARES

One.- He or she understands and accepts the rules and procedures in effect, terms and conditions, fees and forms of payment and technical requirements established for the ".es" domain name register, the content of which is available at: www.dominios.es.

Two.- He or she understands that failure to comply with these rules will result, in the cases in which it is thus expressly established, in the loss of the domain name and possible reassignment at that time to any applicant legitimately eligible to register it.

Three.- Excepting error or omission in good faith, the data provided on this form are true.

Four.- He or she agrees to keep the information provided on this form updated at all times, reporting any changes to the Registrar, who will inform Red.es, whenever there are any modifications to any of the data that must be sent to the Register. Failure to comply with this requirement may result in the domain name being cancelled, in accordance with the procedure established for said purpose (for example, due to the impossibility of contacting the individuals listed as domain name managers because changes to the contact data or change of managers have not been reported as duly established).

Five.- Red.es will act in accordance with the data received from the Transferee in the processing of the actions related to assigning and renewing the domain name(s).

Six.- He or she understands and accepts that any false data provided on this form may be grounds for rejecting the domain name transfer and that, in this case, the domain name will be made available for future registration by another eligible applicant.

Seven.- He or she understands and accepts that, once Red.es provides confirmation to the Transferee that the right to use the domain name has been transferred, the Transferee shall be required to pay the fees corresponding for the assignment or, when appropriate, renewal of the domain name(s).

Eight.- He or she understands and accepts that, in the event of failure to make payment or insufficient payment after the established time periods, the domain name will become available at that time for registration be a legitimate applicant.

---

[5] Name of the person or entity requesting transfer of the domain name or names based on the Sole Additional Provision of the National Plan for Internet domain names under the country code for Spain (".es"), approved by Order ITC/1542/2005, dated 19 May.

Nine.- He or she understands and accepts that, in the event of failure to comply with the rules and technical conditions established by the Assignment Authority for the proper functioning of the ".es" domain names system, a domain name may be cancelled temporarily or permanently.

Ten.- To the best of his or her knowledge, the use of the domain name does not infringe upon the rights of third parties.

Eleven.- That he or she understands and accepts that the assignment of an ".es" domain name entails acceptance of the extrajudicial conflict resolution system for the use of domain names related to, among others, the industrial property rights protected in Spain, such as the trade names, protected trademarks, designations of origin, business names; or the official designations or those generally recognised as belonging to Spanish Public Administrations and public entities, in accordance with the procedure established in the Regulations for extrajudicial conflict resolution regarding the use of ".es" domain names, published on the website www.dominios.es.

Twelve.- He or she understands and accepts that the results of the extrajudicial conflict resolution system are binding for the parties and for the Assignment Authority.

Thirteen.- He or she understands and accepts that the assignment and registration of the domain name gives the exclusive rights to its use, in the terms set forth in the applicable legislation, for the purposes of addressing in the internet domain name system.

Fourteen.- The administrative contact person designated on the application has sufficient power of attorney to do so, is responsible for any incident related to the right to use the domain name and understands and accepts these circumstances.

Fifteen.- All entities and individuals related to this form understand and expressly accept that the personal data provided are included in the internal and public databases maintained by Red.es and that they will be kept under said conditions in the terms required for the management of the ".es" domain name Register, in accordance with the Regulation (EU) 2016/679 of the European Parliament and the Council of 27 April 2016 related to the protection of natural persons regarding the processing of personal data and its free movement.

Sixteen.- He or she understands and accepts that the rights of access and rectification may be exercised in accordance with the legislation on personal data protection. The rights to cancellation and opposition may only be exercised subsequent to forfeiting the requested domain name, since Red.es is required to process the personal data to assign and renew the domain name.

Red.es, located at www.red.es, shall handle the personal data of the individuals and entities mentioned in accordance with the Regulation (EU) 2016/679 of the European Parliament and the Council of 27 April 2016 related to the protection of natural persons regarding the processing of personal data and its free movement, repealing Directive 95/46/EC, and shall not use them for any purpose other than to assign and renew the domain name and will be incorporated into an automated file whose responsible is the Public Business Entity Red.es, M.P.

Seventeen.- He or she understands and accepts that the personal data provided on this form, as the beneficiary of a domain name, may likewise by subject to processing by Red.es as part of its work to develop and promote the Information Society and for historical, statistical or research purposes; they may be transferred for the same purposes to other Administrations in the cases set in the personal data processing file "Dominios.es" on: https://www.red.es/en/data-protection

Eighteen.- The undersigned is sufficiently authorised to accept the conditions for the transfer of the domain name(s) and requesting the modification of the registration data for the domain names indicated on this form.

Having made the above statement, the interested party hereby,

REQUESTS
