## 1. INTRODUCTION

---

This service enables the download of a text file containing domain names only in the case of domain names owned by individuals, and domain data, the name of the owner and NIF (Spanish tax code) in those cases where ownership belongs to a legal entity.

Use of the service and the corresponding terms and conditions are governed by the resolution from the Director General of Red.es within the framework of the Spanish RPSI Act, which can be found via the following link:

## 2. ACCESS GUIDE

---

### 2.1. Accreditation as a user to access the service with accepted certificates

The user must have an FNMT (Spanish Mint) certificate or DNIe (electronic ID) to complete the application, and follow the steps indicated below:

1. Access the form found on the website at: <https://sede.red.gob.es>, in the specific RPSI section.
2. Fill in the requested information and sign the document electronically with any of the accepted certificates.
